DENBIGH

Over the weekend a pumpkin patch appeared in the Reception classrooms. It was a lovely surprise! We had lots of questions about pumpkins and decided to have a 'pumpkin investigation' week.

We'll keep you posted...

In assembly the children discussed gender stereotyping and how any gender can do any job. We used the recent space walk by astronauts Koch and Meir as inspiration for our assembly. Mrs Candlish's final quote was..... 'Don't dream your lives, live your dreams'.

It was all about the germs in Y2 this week. We learned all about the importance of staying clean and talked about when we should wash our hands. After being sprinkled with rather sparkly 'germs' imagine our surprise when a high five with our friends passed on more than just a smile! Paper towels or a quick rinse under the tap with cold water wasn't going to get rid of those pesky germs. Luckily warm water and soap did the trick!

Attendance Update

Here are the individual class attendance figures for this half term.

The Government expectation is 96% and this should be the minimum that we are all aiming for this year!

Only 5 classes are above 96% which is the national expectation. We are still seeing the impact of the term time holidays that are being taken at the moment together with high volumes of sickness. The average attendance from Reception to Y6 was 95.1% which is below the National expectation of 96%.

Hopefully the weeks break will clear all bugs so that we can see an increase next half term.
